

**SUPPORT OUR WORK TODAY.
CREATE YOUR LEGACY FOR
TOMORROW.**

Blended gifts enable you to help us in more ways than you might believe possible. Here is one story about a supporter who made a transforming blended gift to help our work and create his legacy.

Jay's Story

Jay wanted to support one of our priorities at a significant level—\$100,000. However, he was only capable of giving \$25,000 this year. We shared the idea with Jay that he could make a combination gift to achieve his objective.

Here are several options Jay considered:

- \$25,000 cash gift today and a \$75,000 bequest in his will.
- \$25,000 gift of appreciated stock (no cash out-of-pocket and significant tax savings) and a \$75,000 bequest in his will.
- \$25,000 gift of appreciated stock, \$50,000 charitable gift annuity funded with stock (numerous tax advantages and fixed payments for life) and a \$25,000 bequest.

Jay selected the first option. By making a \$25,000 cash gift and satisfying the remaining balance

with a bequest in his will, Jay was able to achieve his goal of a \$100,000 gift to our organization. He liked the fact that he could see his gift at work today and continue his commitment to our mission in the future.
